So here I am
A broken man
What I have is held in my hand
And what you choose
Is what you get
What you lose is your regret, your regret
So here I am
A drunken man
Another dragon in my head
And what you want
Is what you get
What you get you never want
I'm in freefall
So here I am
A lonely man
And maybe you don't give a damn, give a damn
Please, take me in
And wash me down
And show me I can't be found
So here I am
A falling man
But some things will never change, no
What you don't know
It won't hurt you, no
Still it hurts you just the same
I'm in freefall, I'm out of control
I'm in freefall, I'm losing my hold
I'm in freefall, I'm out of control
