Audioweb, Time

I'm takin' time
Sitting through my life
And you know I am really
Never known what is right
And it's you
And it's you
Never knew what I find
And it's you
And it's you
You will always be mine
Chorus:
You've got no time for me
You've got no time
I can't explain
The way of this man
He grow, lost control
And became what I am
And it's me
And it's me
Always knew what I find
Yes, it's true
Yes, it's true
You will always be mine
Chorus
