

Audrey, Horses Are Honest

Imagine dim light closes

They run, they run
And then it's all gone

Hold her hoof
Isn't that enough proof
Before they hurt you too

Run your way
As I could
I hear your lies
And than in front of my eyes

Count your steps
Moonlight shake me
It's not gonna happen
She's around
Where the horses run
I'll be there
Waiting with the night

ahhhhhhhh ah ah ahhhhh ahhhhhhhh
ahhhhhhhh ah ah ahhhhh ahhhhhhhh
ahhhhhhhh ah ah ahhhhh ahhhhhhhh
ahhhhhhhh ah ah ahhhhh ahhhhhhhh
ahhhhhhhh ah ah ahhhhh ahhhhhhhh

I can't (...) your horse
You took my heart
And ripped it out of my chest
