

Audrey, Vague

It's in the dark
Be quiet
Be quiet
We will recognize you in the dark
Be quiet
Be quiet

It's in the dark
We're freezing
Freezing to death
Be quiet
Be quiet
Oh

Bending us
Twisting together
It's you, oh
Feeling inside out
Catch me if you can
Truth will last
Wish you're and stay
In the palm of my hand

Have you heard Oscar?
He walks on the wars
He talks like a harp
He's open air
We're freezing to death
It's in the dark
Be quiet
Be quiet

Have you heard Oscar?
He walks on the wars
He talks like a harp
He's open air
We're freezing to death
It's in the dark
Be quiet
Be quiet

Have you heard Oscar?
He walks on the wars
He talks like a harp
Be quiet
