

# August Alsina, Song Cry

Sometimes I get emotional  
And I can't seem to find the way I'm s'posed to go  
And all these so-called people that I'm supposed to know  
They be the main ones  
Smile up in your face, but behind your back they hate  
So I hope you know  
You're like the only reason I'm emotional  
My tears fall like water so that I can gr  
Ow  
Not like I was before  
Tryna make a change, I need something more

I can't hold back these tears  
Let me cry  
They say a man ain't supposed to cry

So I'ma let the song cry  
I'ma let my soul cry through these words  
I need to try to free my mind  
Sometimes I need to cry just to ease my hurt  
But when I let the song cry  
Hope you don't think I still won't ride for mine  
Every rose needs the rain sometimes  
But know that you can dry your eyes this time  
Let the song cry

What am I supposed to do?  
Hold it all together when I think of you?  
In my heart I'm thinking you were gone too soon  
May you rest in peace, yet I can't sleep  
It's my point of view  
Got me in a state of mind, I'm so confused  
Crying raindrops so that I can bloom  
So what am I to do?

I can't hold back these tears  
Let me cry  
They say a man ain't supposed to cry

So I'ma let the song cry  
I'ma let my soul cry through these words  
I need to try to free my mind  
Sometimes I need to cry just to ease my hurt  
But when I let the song cry  
Hope you don't think I still won't ride for mine  
Every rose needs the rain sometimes  
But know that you can dry your eyes this time  
Let the song cry

Let it breathe  
Let it breathe  
Let it breathe  
Let's get it

I may be cryin' now but I'll be laughin' later  
No way, wouldn't be easy when you're tryna be the greatest  
That ever did it or does it  
Ain't no fuckin' time for later  
And I know they think I'm sporadic  
The bastard child of an addict  
But I'm way too calculated  
I try to love, but I never knew her  
This money, I'm blowin' through it  
Ain't rockin' red or blue, I'm unaffiliated

Cause my bloods and my cousins hate me  
I try to buy my mama's love, no she don't appreciate it  
So I stay inebriated  
I figured maybe J. Cole or Drizzy Drake  
Would drop a verse and tell the people how we hurtin'  
Guess I was mistaken  
This moment mine for the taking  
For all them nights I thought of suicide, contemplating

I can't hold back these tears  
Let me cry  
They say a man ain't supposed to cry

So I'ma let the song cry  
I'ma let my soul cry through these words  
I need to try to free my mind  
Sometimes I need to cry just to ease my hurt  
But when I let the song cry  
Hope you don't think I still won't ride for mine  
Every rose needs the rain sometimes  
But know that you can dry your eyes this time  
Let the song cry
