

Augustana, Where Love Went Wrong

the day is done, and now we're older,
the feeling's gone, so now you'll show her,
where love went wrong, on your shoulder,

you're all alone, and you can't take it,
you're just too tired to suffocate it,
and all along we'll just fake it,

but i tried,
i tried, goodbye,

you try to breathe, you try to save it,
but it marks your skin, until they break it,
well could you call when
they're taking all that you left for me
