

Aunty Jack, I've Been Everywhere

I've been everywhere, man.
I've been everywhere.
Breathed the mountain air, man.
Crossed the deserts fair, man.
Of travel I've had my share, man.
I've been everywhere.

Ive been to Wollongong, Wollongong, Wollongong, Wollongong,
Wollongong, Wollongong, Wollongong, Wollongong,
Wollongong, Wollongong, Wollongong, Wollongong,
Wollongong, Wollongong, Wollongong, Wollongong,
Wollongong, Wollongong, Wollongong, Wollongong,
Wollongong, Wollongong, Dapto, Wollongong.
Dapto, Dapto, Dapto...
And Wollongong!

We've been everywhere. Even Dapto!
