

Aura Dione, In Love With The World

You're in love with a girl who's in love with the world
And I all I wanna do is spend a little time with you
You spend all your time waiting
Told you right from the start that I'm no 9 to 5
Not planning to stay, wish I could see you everyday
But I'm chasing a dream for a living

I'm not what you wanted you're not what I needed
This love is a burden, my heart can't repeat it
I've been here before, gotta let you go

I believed in you and me
I hope to be everything you ever wanted
But you're asking for more you're too insecure

You're in love with a girl who's in love with the world
And I all I wanna do is spend a little time with you
You spend all your time waiting
Told you right from the start that I'm no 9 to 5
Not planning to stay, wish I could see you everyday
But I'm chasing a dream for a living

You know it's a fact that my suitcase is packed
Then I beg you to say, it's ok
I can go to the end of the world
And still be your girl

Call me on the phone say you hate to be alone
It's my fault that you've almost cheated
I've been here before you're too insecure

You're in love with a girl who's in love with the world
And I all I wanna do is spend a little time with you
You spend all your time waiting
Told you right from the start that I'm no 9 to 5
Not planning to stay, wish I could see you everyday
But I'm chasing a dream for a living

Oh oh oh the world is calling
Oh oh oh the world is calling
The world is big enough for me

You're in love with a girl who's in love with the world
And I all I wanna do is spend a little time with you
You spend all your time waiting
Told you right from the start that I'm no 9 to 5
Not planning to stay, wish I could see you everyday
But I'm chasing a dream for a living

You're in love with the girl who's in love with the world (x3)
