

Aura, Tribute

(Aaron Nordquist)

This is my tribute to you
Because I love you and you love me too
You'll stay with me until the end
You mean so much to me, your my best friend
When your near your love surrounds me
You're the only thing that makes my heart beat
As I hold you in my arms
My heart can't pull away from your looks or charms
Whether you're near or far away
Our love for each other will always stay

Chorus

When I'm near you and I hear you speak my name
You know you are setting my heart aflame
Your lips so tender your body so slender
Lover I surrender, This is my tribute to you
My fingers running through your hair
So silky fair and fine
Promise to me that you'll always be mine
Whenever you're near my hopes and dreams conquer my fears
Who could bring me heaven when heavens already here
When I'm near you and I hear you speak my name
You know you are setting my heart aflame
Your lips so tender your body so slender
Lover I surrender, This is my tribute to you
Ever since that night, we've been together
Lovers at first sight, in love forever
It turned out alright, us meeting in the night
Ever since we said our first hello, at that moment I began to know
When I'm near you and I hear you speak my name
You know you are setting my heart aflame
Your lips so tender your body so slender
Lover I surrender, This is my tribute to you
This is my tribute to you
Because I love you and you love me too
You'll stay with me until the end
You mean so much to me, your my best friend
When your near your love surrounds me
You're the only thing that makes my heart beat
When I'm near you and I hear you speak my name
You know you're setting my heart aflame
This is my tribute to you
Your lips so tender your body so slender
Lover I surrender
This is my tribute to you
This is my tribute to you
This is my tribute to you
