

Aurora, Animal Soul

I can remember times when it used to be warmer
Lying inside the body of my mother
I can remember light coming through her skin
And the first time I saw her eyes as she wrapped me in

I'm a child
With an animal soul
I don't belong here
I don't belong anywhere
I'm a child
With an animal soul
I don't belong here
I don't belong anywhere

As I am running around looking for every answer
Mmm, moving across my mind like a beautiful dancer
Oh, I am here to tear what makes me hollow
In a world of hate, we are forced to swallow

Mmm, I'm a child
With an animal soul
I don't belong here
I don't belong anywhere
I'm a child
With an animal soul
I don't belong here
I don't belong anywhere

Funny how we're free to walk around
Still our feet are forced to walk the ground
Even when we die we're deeper down
Down, down
Even when we die we're deeper down
Deeper down
Hmm, hmm
