## Aurora, Ordinary World

Came in from a rainy Thursday on the avenue Thought I heard you talking softly

I turned on the lights, the TV and the radio Still I can't escape the ghost of you

What has happened to it all? Crazy, some'd say Where is the life that I recognize? Gone away

But I won't cry for yesterday There's an ordinary world Somehow I have to find And as I try to make my way To the ordinary world I will learn to survive

Passion or coincidence
Once prompted you to say
"Pride will tear us both apart"
Well now pride's gone out the window
Cross the rooftops, run away
Left me in the vacuum of my heart

What is happening to me? Crazy, some'd say Where is my friend when I need you most? Gone away

But I won't cry for yesterday There's an ordinary world Somehow I have to find And as I try to make my way To the ordinary world I will learn to survive

Papers in the roadside
Tell of suffering and greed
Here today, forgot tomorrow
Ooh, here besides the news
Of holy war and holy need
Ours is just a little sorrowed talk

And I don't cry for yesterday There's an ordinary world Somehow I have to find And as I try to make my way To the ordinary world I will learn to survive

Every one is my world, I will learn to survive Any one is my world, I will learn to survive Any one is my world Every one is my world
