

Aurora, Sleeping Satellite

I blame you for the moonlit sky
and the dream that died
with the eagles' flight
I blame you for the moonlit nights
when i wonder why
are the seas still dry?
don't blame this sleeping satellite

whoah ohh oh yeah yeah
dont blame this sleeping satellite

Did we fly to the moon to soon
did we squander the chance
in the rush of the race
the reason we chase is lost in romance
and still we try
to justify the waste
for a taste of man's greatest adventure

I blame you for the moonlit sky
and the dream that died
with the eagles flight
i blame you for the moonlit nights
when i wonder why
are the seas still dry?
don't blame this sleeping satellite

have we lost what it takes to advance?
have we peaked too soon
if the world is so green
then why does it scream under a blue moon
we wonder why
If the earths sacrificed
for the price of it's greatest treasure

I blame you for the moonlit sky
and the dream that died
with the eagles' flight
blame you for the moonlit nights
when i wonder why
are the seas still dry?
don't blame this sleeping satellite

whoah ohh-oh yeah yeah
whoah ohh-oh yeah yeah
dont blame this sleeping satellite

and when we shoot for stars
what a giant step
have we got what it takes
to carry the weight of this concept
or pass it by like a shot in the dark
miss the mark with a sense of adventure

I blame you for the moonlit sky
and the dream that died
with the eagles' flight
blame you for the moonlit nights
when i wonder why
are the seas still dry?
don't blame this sleeping satellite

whoah ohh-oh yeah yeah
dont blame this sleeping satellite
