

# Aurora, The River

Hold your hands up, to your chest and tell me what you find.  
Out of you a sparrow comes and sees without its eyes.

Don't forget who you are even though you are hurt  
You are caught in a wire and soon it will burst.  
Come back to me, when you're ready to reveal your worst.

You can cry, drinking your eyes,  
Do you miss the sadness when it's gone?  
And you let the river run wild.  
And you let the river run wild.

I'm a shadow, I am cold and now I seek for warmth.  
Stitch your skin on to my skin and we won't be alone.  
Don't forget who you are even though you're in need.  
Like a bird in the night, your emotions deserves to be free.

You can cry, drinking your eyes.  
Do you miss the sadness when it's gone?  
And you let the river run wild.  
And you let the river run wild.

You can cry, drinking your eyes,  
I don't miss the sadness when it's gone!  
And the feeling of it makes me smile.  
And I let the river run wild.

You can cry. You can cry . You can cry.  
To where the ocean is bigger. Become a part of the river.  
You can cry. You can cry . You can cry.  
Can you let the river run wild.

You can cry, You can cry . You can cry. drinking your eyes,  
Do you miss the sadness when it's gone?  
And you let the river run wild. And you let the river run wild.

You can cry, You can cry . You can cry. drinking your eyes,  
I don't miss the sadness when it's gone  
And the feeling of it makes me smile  
As I let the river run wild

You can cry. Drinking your eyes.  
Do you miss the sadness when it's gone?  
And you let the river run wild.  
And you let the river run wild.
