

# Aus Rotten, They Ignore Peaceful Protest

They ignore protest  
But can they ignore a city on fire  
It's time to do more than talk  
When they ignore peaceful protest  
They ignore protest  
But can they ignore a burning police car  
It's time to do more than talk  
When they ignore peaceful protest  
They ignore signs and marches  
But can they ignore bricks and rocks  
It's time to do more than talk  
When they ignore peaceful protest
