

Austin Anderson, Rush You

Hey!

Can you tell me what its gunna take to make this rock?

Watching him but your just starring at the clock.

Got me so wine up that I cant sleep at night.

Can you tell me what its gunna take?

And girl, you got the best of me.

And now, come take the rest of me.

Why you over thinking me?

Get together better believe what im telling.

I dont wanna rush you baby its gone be alright.

But im gunna have to baby, to make you mine.

Holding back, but now I see it, your so fine.

You can make us _____ in another second.

Hey!

Am I wasting time trying to make you come my way?

Or am I just some stupid game to play?

And im losing my cool, and you are running late.

Tell me what its gunna take.

And girl, why you testing me?

You know you make a mess of me.

Girl cant you understand?

Get together better believe what im telling.

I dont wanna rush you baby its gone be alright.

But im gunna have to baby, to make you mine.

Holding back, but now I see it, your so fine.

You can make us _____ in another second.

Ill give you everything you need and more.

Ill show you feelings you aint felt before.

Ill whisper secerts baby in your ear.

You know I take you there, take you there.

And girl, you got the best of me.

And now, come take the rest of me.

Why you over thinking me?

I dont wanna rush you baby its gone be alright.

But im gunna have to baby, to make you mine.

Holding back, but now I see it, your so fine.

You can make us _____ in another second.

I dont wanna rush you baby its gone be alright.

But im gunna have to baby, to make you mine.

Holding back, but now I see it, your so fine.

You can make us _____ in another second.
