

Austin Lace, Kill The Bee

Very funny hairy grizzly who's in your arms
who says hold me or call me
Very funny hairy grizzly who's in your arms
or should I say your paws

I have for you a bubble,
for you a bubble of trouble
Your radio is buzzing double,
is buzzing double and you crumble

Very funny hairy grizzly who's in your arms
who says hold me or call me
Very funny hairy grizzly who's in your arms
who says hold me and kill the bee

Who's in your arms, who's in your arms
Who's in your arms, who's in your arms
Who's in your arms, who's in your arms
Who's in your arms, who's in your arms

Never mind the feeling when you hear this sound

Very funny, very funny, very funny, very funny
Very funny, very funny, very funny, very funny

I have for you a bubble,
for you a bubble of trouble
Your radio is buzzing double,
is buzzing double and you crumble

Very funny hairy grizzly who's in your arms
who says hold me or call me
Very funny hairy grizzly who's in your arms
or should I say your paws
Very funny hairy grizzly who's in your arms
who says hold me or call me
Very funny hairy grizzly who's in your arms
who says hold me and kill the bee
