

Austin Powers, Dr. Evil

Evil
Evil is his one and only name
Evil
In his mind there is no other game
When your name is Evil that is good
Or so you think
But you're so very wrong
It's evil
But being wrong is right
So then you're good again
Which is the evilest thing of all
Do you find his subtle ways invite you?
Does he excite you?
If his contradictions should attract you
Should he distract you
Heaven help you then
You're finished, it's the end
There'll be no retrieval
From the evil
The evil he will do
He's evil
He's Dr. Evil
His name is Evil
