

# Australian Crawl, Two Can Play

We went a walkin out in the sun  
We got to talkin havin some fun

Sure feels right  
Sure feels good  
Get to go a little crazy  
It's understood

We went a drivin out in the rain  
Old folks arrivin lookin the same

Run to ground  
Inch by inch  
Pound by pound  
And pinch by pinch  
Piece by piece  
It's all the same  
Well two can play  
At that game

Hearing the phone ring, waitin to answer  
Call up an actress, speak to a dancer

Watching the windsurf watching them capsize  
We hear you talking we hear you tell lies  
We're getting younger, we're getting older  
Taking a jacket, hanging the bowler
