

Australian Idol Final 12, Rise Up

Australian Idol Final 12

Rise Up

Rise Up

Chorus:

We've got to rise up

And fly like eagles

Rise up

Through the sky

We've got to rise up

Over higher mountains

Rise up, rise up

(Rise up)

Rise up

C'mon, c'mon and rise up

Everybody's come a long long way such a long way, to be here today

We've got it hard, give it all

We've been knocking on wood with our backs to the wall

We've been working every day and night

Waiting for the chance, for the day to arrive

And now we've all got something to prove

Win or lose there's only one thing to do

Chorus

It's time to sweat, it's finally here

In each and every heart there's a pounding beat

To do it wrong, to do it right

Each of us has put up, one hell of a fight

And as we face the final test

All that we can do is to do our best

And as we make it, time stands still

To get to the top, you've got to give all you've got

Chorus

Shine your light and let 'em see everything you want to be

Shine your light and let them know you will never let it go

We've been working every day and night

Waiting for the chance, for the day to arrive

And now we've all got something to prove

Win or lose there's only one thing to do

Chorus x 3

(Rise up)

RISE UP!
