

# Australian Idol, Shoop

Baby boyz just know  
That Mummy loves you so  
I sing this song for you  
And Mum will be home soon

Everyone falls in love sometime  
Sometimes its wrong sometimes its right  
For every win somebodys gonna fail  
And there comes a point when we exhale

Ohhh Hearts are often broken  
And there are words unspoken  
In your soul theres answers to your prayers  
If your searching for a place you know  
A familiar face somewhere to go  
You should look inside yourself  
You're halfway there

Sometimes you laugh sometimes you cry  
But lifes doesnt tell us the whens or whys  
But when you've got friends to wish you well  
You'll find a point when you will exhale ( let me hear ya say)

Shoop babe, shoop babe shoop babe shoop babe

Find a point when you will exhale
