

Australian Idol, Shoop

Baby boyz just know
That Mummy loves you so
I sing this song for you
And Mum will be home soon

Everyone falls in love sometime
Sometimes its wrong sometimes its right
For every win somebodys gonna fail
And there comes a point when we exhale

Ohhh Hearts are often broken
And there are words unspoken
In your soul theres answers to your prayers
If your searching for a place you know
A familiar face somewhere to go
You should look inside yourself
You're halfway there

Sometimes you laugh sometimes you cry
But lifes doesnt tell us the whens or whys
But when you've got friends to wish you well
You'll find a point when you will exhale (let me hear ya say)

Shoop babe, shoop babe shoop babe shoop babe

Find a point when you will exhale
