

# Australian Idol, The Love You Save (Guy)

Stop, you better save me  
Stop, stop, stop, you better save me dear, woo  
Do do do do do ...

When we played tag in grade school  
You wanted to be it  
When chasin' boys was just a fad,  
You crossed your heart, you'd quit  
When we grew up you traded  
Your promise for my ring  
Now just like back in grade school  
You're doin' the same old thing

Stop, the love you save may be your own  
Darlin' take it slow  
Or some day you'll be all alone  
You better stop  
The love you save may be your own  
Darlin' look both ways before you cross me  
You're headed for a danger zone

I'm the one who loves you  
I'm the one you need  
Those other guys will put you down  
as soon as they succeed  
They'll ruin your reputation  
They'll label you a flirt  
The way they talk about you  
They'll turn your name to dirt, oh.

Isaac said he kissed you, beneath the apple tree  
When Ritchie held your hand he felt electricity  
When Alexander called you, he said he rang your chimes  
Christopher discovered you're way ahead of your time

Stop, the love you save may be your own  
Darlin' take it slow or some day you'll be all alone  
You better stop  
The love you save may be your own  
Darlin' look both ways before you cross me  
You're headed for a danger zone  
Hold on, hold on, hold on, hold on..

Hold on  
&quot;S&quot; is for save it  
&quot;T&quot; is for take it slow  
&quot;O&quot; is for oh, no  
&quot;P&quot; is for please, please don't go

The love you save may be your own  
Some day you may be all alone  
Stop it baby, ooh, you'd better stop  
The love you save may be your own, please, please  
Oh stop you, stop you baby you'll be all alone

I'm the one who loves you  
I'm the one you need  
Those other guys will put you down  
As soon as they succeed

Ooh, stop, the love you save may be your own  
You better stop it,  
Stop it, stop it, girl or someday you'll be all alone

The way they talk about you  
They'll turn your name, turn your name  
Stop, the love you save may be your own  
Don't you know, you don't you know  
Stop it baby or you'll be all alone

Those other guys will put you down  
As soon as they succeed  
(Fade Out)
