

# Australian Idol, The Show Must Go On (Kelly Cavuoto)

They'll try to kick you around  
They'll put you down and spit in your face  
Like a hunter that fires  
Not satisfied except with first place

There'll be people that'll tell you they need you  
But there'll be others that'll tell you they hate you

(Chorus:)

It don't matter what they say or what they do  
It don't matter what you think they're puttin' you through  
Cause after all is said, after all is done  
No matter what happens, the show must go on

Taken up to the challenge  
What makes you try, can make you weaker  
And one by one, we will feel in time  
You're either with us or you're against us

Make it look easy with that show in your head  
But you better believe this ain't no one night stand

(Repeat Chorus)

It don't matter what they say  
It don't matter, the show must go on

Dedication  
We've got to have some dedication  
Concentration  
Standing tall on the podium  
This is how it began and how it will end, yeah

(Repeat Chorus)

It don't matter what they say or what they do  
It don't matter what you think they're puttin' you through  
It don't matter what they say or what they do  
It don't matter what they think, the show must go on

It don't matter what they say  
It don't matter what they do  
It don't matter what they say  
It don't matter, the show must go on
