

# Australian Idol, Under My Skin (Shannon)

I've got you under my skin  
I've got you deep in the heart of me  
Though deep in my heart, that's so really a part of me  
I've got you under my skin

I've tried so not to give in  
I've said to myself this is fair never will go so well  
Why should I try to insist baby I know so well  
I've got you under my skin

I'd sacrifice anything come what may  
For this one of having you here in inspite of the only voice  
That comes in at night and repeat, repeats in my ear

Don't you know you fool, you never can win,  
Use your mentality, wake up to reality  
But each time I do just the thought of you  
Makes me stop before I give in  
So I've got you under my skin

But each time I do just the thought of you  
Makes me stop before I give in  
Cos I've got you under my skin

Yeah you grabbed me, under my skin
