Starstruck  
First child  
And a showbiz son  
Always hide  
Where you come from  
Mother got out rehab  
And i was born  
I was starstruck  
When i was young  
Its never to soon  
To tread the boards  
I was in vaudeville  
At age give  
My career took  
Its first nosedive  
Iv?been starstruck  
All my life

Starstruck,  
Starstruck over you  
Starstruck,  
Im struck dumb by you  
Starstruck,  
I struck out my luck  
I was always starstruck

Cant get an agent  
For a child star  
My act effete and failing  
So i moved  
To the old backlot  
Where i exercise daily

Starstruck,  
Starstruck over you  
Starstruck,  
Im struck dumb by you  
Starstruck,  
I struck out my luck  
I was always starstruck

Now youre between  
A peak time show  
I hear youre now married  
She was born to be seen  
Not to be carried

Starstruck,  
Starstruck over you  
Starstruck,  
Im struck dumb by you  
Starstruck,  
I struck out my luck  
I was always starstruck
