Starstruck
First child
And a showbiz son
Always hide
Where you come from
Mother got out rehab
And i was born
I was starstruck
When i was young
Its never to soon
To tread the boards
I was in vaudeville
At age give
My career took
Its first nosedive
Iv?been starstruck
All my life

Starstruck,
Starstruck over you
Starstruck,
Im struck dumb by you
Starstruck,
I struck out my luck
I was always starstruck

Cant get an agent
For a child star
My act effete and failing
So i moved
To the old backlot
Where i exercise daily

Starstruck,
Starstruck over you
Starstruck,
Im struck dumb by you
Starstruck,
I struck out my luck
I was always starstruck

Now youre between
A peak time show
I hear youre now married
She was born to be seen
Not to be carried

Starstruck,
Starstruck over you
Starstruck,
Im struck dumb by you
Starstruck,
I struck out my luck
I was always starstruck
