

Authority Zero, Not You

Not you! Not you! Not you! Not you!
I'm me not you!
Who am I to be, and what am I to believe?
Well, not a single thing you're saying to me
I've had enough my friend, and I'm fed up again
Well it's me, not you
See it's my life, not yours
Take a look, I'm not gonna take anymore
Don't you know, it's me, not you!
Individuality, what does it mean?
I think it's you'll be you, and I'll be me
Your own opinion? Great, grand, good for you
It's still me, not you
See it's my life, not yours
Take a look, I'm not gonna take anymore
Don't you know that it's me, not you
