

# Authority Zero, Not You

Not you! Not you! Not you! Not you!  
I'm me not you!  
Who am I to be, and what am I to believe?  
Well, not a single thing you're saying to me  
I've had enough my friend, and I'm fed up again  
Well it's me, not you  
See it's my life, not yours  
Take a look, I'm not gonna take anymore  
Don't you know, it's me, not you!  
Individuality, what does it mean?  
I think it's you'll be you, and I'll be me  
Your own opinion? Great, grand, good for you  
It's still me, not you  
See it's my life, not yours  
Take a look, I'm not gonna take anymore  
Don't you know that it's me, not you
