

# Autumn Clan, Turnin' Away

Love is like a dream  
you fall asleep and then you scream  
I am switched on, I feel alive  
but it's like love - unsatisfied

Roses turn black  
I'm turnin' away in my bed

Life is like a dream  
it explodes - it's never seen  
I'm feeling high just like a god  
and in my head - it's all messed up

I'm turnin' away  
I'm blowin' away  
I'm fadin' away
