

# Autumn Tears, Ode to My Forthcoming Winter, Pt. 4

Autumn Hath Awakened Her Children

I am the Raging Storm and the Gentle Breeze  
I am the Glistening Stream and Earthen Soil  
I am the Rain and the Ever-darkening Sky  
I am the Velvet Shadows of the Night  
Embrace the Dreaming Mystery...  
Partake of my Scornful Bereavement  
Welcome my Tears... Welcome my Tears...  
Welcome my Tears...
