

Ava Max, Get Outta My Heart

(I know-oh-oh-oh, I know what you did last summer, summer)

Oh some days I trust you
But these days it's hard
Oh some nights I love you
And that's the hardest part, oh

It was nice to know ya, uh
But it hurts to know, oh
What you did last summer
And I can't let it go

Get outta my head
Get outta my car
Get outta my bed
Get outta my heart
You've run up your tab
You took it too far
So pack up your bags
Get outta my heart, heart, heart, heart
(I know-oh-oh-oh, I know what you did last summer summer)
Get outta my heart
(I know-oh-oh-oh, I know what you did last summer summer)
Get outta my heart

Oh some days I miss ya
But most days I won't
Oh some nights I wish ya
Could kiss me one more time for the road

It was nice to know ya, uh
But it hurts to know, oh
What you did last summer
And I can't let it go

Get outta my head
Get outta my car
Get outta my bed
Get outta my heart
You've run up your tab
You took it too far
So pack up your bags
Get outta my heart, heart, heart, heart
(I know-oh-oh-oh, I know what you did last summer, summer)
Get outta my heart
(I know-oh-oh-oh, I know what you did last summer summer)
Get outta my heart

(I know, I know, I know what you did last summer)
(I know, I know, I know what you did)

(Last summer) get outta my head
Get outta my car
Get outta my bed
Get outta my heart
You've run up your tab
You took it too far (you took it to far)
So pack up your bags
Get outta my heart, heart, heart, heart, oh

(I know-oh-oh-oh, I know what you did last summer summer)
Oh
Get outta my heart
(I know-oh-oh-oh, I know what you did last summer, summer)

Get outta my heart
