

# Ava Max, Hold Up (Wait a Minute)

Da da, da da, da da da  
Da da, da da, da da da

Roses up on the dash  
Putting rocks on my hand  
Why you acting extra nice?  
Midnight, getting no reply  
You love me from nine to five  
What happens when you say good night?

I walked by your phone  
Some chick I don't know  
Saying "Baby, I'm ready"

Hold up, just wait a minute (Da da, da da, da da da)  
Who's that girl? Oh she ain't me (Da da, da da, da da da)  
Say "She's a friend, no mon amie" (Da da, da da, da da da)  
Oh is she sweet? Oh she a freak (Da da, da da, da da da)  
Hold up, just wait a minute

Hold up, just wait a minute  
Hold up, just wait a minute

You say she's just an ex  
But exes don't send those texts  
X O baby, bye bye bye  
Bye bye, I don't need your lying  
Think I've had enough  
Out here pouring wine so don't mind  
'Cause it ain't gon' wind me up

I walked out your car  
Then I slammed your heart  
You said "No, I'm not ready"

Hold up, just wait a minute (Da da, da da, da da da)  
Who's that girl? Oh she ain't me (Da da, da da, da da da)  
Say "She's a friend, no mon amie" (Da da, da da, da da da)  
Oh is she sweet? Oh she a freak (Da da, da da, da da da)  
Hold up, just wait a minute

Hold up, just wait a minute  
Hold up, just wait a minute

Hold up, just wait a minute
