

Ava Max, Not Your Barbie Girl

Not your barbie girl
I'm living in my own world
I am plastic
Call me classic
You can't touch me there
You can't touch my body
Unless I say so
Ain't your barbie no

Pull up to that dream house
God gates, hills down
How much do you like this?
Welcome to my bedroom
Hallway, go down
Say he has got permission

I can take myself on a dinner day
Bought myself diamonds and a champagne
Order five kisses and then chocolate cake
Uh-huh
Acting like a Ken, when i want a man
Acting like a Ken but I don't care
I do my own thing yeah watch me dance
Uh-huh

Not your barbie girl
I'm living in my own world
I am plastic
Call me classic
You can't touch me there
You can't touch my body
Unless I say so
Ain't your barbie no

I'm my own boss
I'm all mad, then you all fit
Something that you just can't get
Words don't tempt me
Trying to break me
And these tears I ain't tryna drip no

I can take myself on a dinner day
Bought myself diamonds and a champagne
Order five kisses and then chocolate cake
Uh-huh
Acting like a Ken, when i want a man
Acting like a Ken but I don't care
I do my own thing yeah watch me dance
Uh-huh

Not your barbie girl
I'm living in my own world
I am plastic
Call me classic
You can't touch me there
You can't touch my body
Unless I say so
Ain't your barbie no

Did you forget I'm real oh
I'm breathing, touch me, feel oh
Say I'm your toy to play with
Want to put me in a box
You ain't go talk to me like that you better stop

Not your barbie girl
I'm living in my own world
I am plastic
Call me classic
You can't touch me there
You can't touch my body
Unless I say so
Ain't your barbie no

Ain't your barbie no

Ain't your barbie no
