

Avail, On The Nod

could be afraid of what they'd say could be afraid of the things they say

this morning i had the bad taste i couldn't think straight i crawled back inside i've taken this as a wa

so from now on i know nothing push it back and let it fade simple words have always meant nothing

i always thought it was safe to be acquainted casually they're dropping non-stop casually i make m

could be afraid of what they'd say

out of strength watch me go afraid that it's over on i move a simple step on my way to avoid respon
