

Avail, Song

do you remember when we met i was so intrigued you were so intrigued we spent our time telling o
moving far away

and from that moment on we were inseparable a vivid image of ecstasy it's been a long time and th
moving far away moving far away in time

but everyday that goes by your further from my mind try to remember

lies

i know i treasure things to much instead of pushing them aside stil i tell lies try to turn around and f
