

# Avalanch, Falling

Troubles and pains make your darkness  
Cries and screams make you a fool  
Your future dreams in this hard way  
This things you think, make the rules

Falling  
Trying to understand  
Falling (you're falling, you're falling, you're falling down)  
Is the way to never fall again

Oooh oooh oooh oooh... if you wanna cry  
Oooh oooh oooh oooh... do it tonight  
Oooh oooh oooh oooh... learn from the pain  
Oooh oooh oooh oooh... to rise again

Falling  
Trying to understand  
Falling (you're falling, you're falling, you're falling down)  
Is the way to never fall again

(Solo: Rionda)

Oooh oooh oooh oooh... if you wanna cry  
Oooh oooh oooh oooh... do it tonight  
Oooh oooh oooh oooh... learn from the pain  
Oooh oooh oooh oooh... to rise again  
Oooh oooh oooh oooh... to rise again  
Oooh oooh oooh oooh... learn from the pain  
Oooh oooh oooh oooh... to rise again  
Oooh oooh oooh oooh... troubles and pain make your darkness  
Oooh oooh oooh oooh... make your darkness  
Oooh oooh oooh oooh...
