

Avalon, God Is In Control

This is no time for fear
This is a time for faith and determination
Don't lose the vision here carried away by emotion
Hold on to all that you hide in your heart
For there is one thing that has always been true
It holds the world together
God is in control
We believe that His children will not be forsaken
God is in control
We will choose to remember and never be shaken
There is no power above or beside Him, we know
Oh, God is in control, oh, God is in control
History marches on
There is a bottom line drawn across the ages
Culture can make its plan, oh but the line never changes
No matter how the deception may fly
There is one thing that has always been true
And it will be true forever
God is in control
We believe that His children will not be forsaken
God is in control
We will choose to remember and never be shaken
There is no power above or beside Him, we know
Oh, God is in control, oh, God is in control
Oh, He has never let you down
Why start to worry now? Why start to worry now?
He is still the Lord of all we see
He is still the loving Father watching over you and me
Watching over you, watching over me
Watching over everything
Watching over you, watching over me
Every little sparrow, every little key, every little key
God is in control
We believe that His children will not be forsaken
God is in control
We will choose to remember and never be shaken
There is no power above or beside Him, we know
Oh, God is in control, oh, God is in control, oh, God is in control
