## Avalon, Good News

Good news / Good news / An angel brings Good news / Good news / Good news / I meet you with Good news \* Close your eyes / Fold your hands / For a moment let your sorrow fade / Why, oh, why are you afraid / Has this world stripped you of your faith / Close your eyes and on bended knee / Listen to an angel pray / And once again prepare the way / So you'll see a gift that's given / For you a time of joy/ Behold a baby boy \* Bow your head / Speak not a word / Let the silence take you far from here / The spirit disappear / Bow your head and on bended knee / Hear the story once again / The child grew up to wear a cross / A child grew up to pledge a life / For us a time of joy / Behold, Christ a baby boy \* For us is born this night / In a manger wrapped in swaddling clothes / Christ the Savior, Christmas day / All our burdens washed away / We break the bread / We pour the wine / And angels decend with a heavenly sigh /
