

# Avalon, The Greatest Story

Some days your own resolve is strong  
And other days you bend  
it's two steps forward, one step back  
and a stumble now and then  
You wonder if you'll ever really make the difference  
you've prayed that you will  
Well, I know that prayer will be fulfilled 'cause

(Chorus)  
Your life woven day by day  
is a new design of the glory God displays  
on the canvas of creation  
Through the poem of history  
in the pattern of redemption  
running through the tapestry  
Your life in Christ can be  
the greatest story ever told

You cannot see the hands of God  
or feel the grace that flows  
from Him through you to those you touch  
In ways you'll never know  
you cannot measure worth by human standards  
That's always a lie  
oh, you have to see through heaven's eyes how...

(Chorus)

In the light of eternity  
Standing face to face you will finally see  
for the very first time you'll understand  
your perfect place in the master plan and how...

(Chorus)
