## Avalon, We Are The Reason

As little children We would dream of Christmas more Of all the gifts and toys We knew we'd find But we never realized A baby born one blessed night Gave us the greatest gift of our lives

We were the reason That He gave His life We were the reason That He suffered and died To a world that was lost He gave all He could give To show us the reason to live

As the years went by We learned more about gifts The giving of ourselves And what that means On a dark and cloudy day A man hung crying in the rain All because of love, all because of love

I've finally found the reason for living It's in giving every part of my heart to Him In all that I do every word that I say I'll be giving my all just for Him, for Him

He is my reason to live
