

# Avant, 4 Minutes

[Talking]  
Hold Hold up Hold up  
Slow slow down  
Listen give me 10 minutes...  
Well gimme 5 minutes.....aight  
b-before you leave I just need these last 4 minutes..

[Verse 1]  
Pardon me if I'm talking fast and stumbling all over my words  
I heard you were leavin' town I thought I'd be the one to know first  
If you have a minute let me talk to you and see what's going on  
Don't say it's nothing when it's gotta be something that's gone wrong  
Now let me explain but I don't know what to say cause I don't know what the hell happened  
I come in the house to try to work it out and all you're doing is packing  
Close your suitcase let me think straight  
Damn what could be the reason?  
Baby talk to me I'm almost outta time

[Chorus]  
I only got 4 minutes to do what I gotta do to prove to you that I'm gonna do anything  
Only got 4 minutes say what I gotta say to make you stay and show you that I done change  
Cause in 4 minutes I'll never have my girl again  
In 4 minutes Imma lose her to some other man  
4 no less no more  
I'm desperate 'cause the clock's ticking  
Only got 4 minutes to go

[Verse 2]  
Who are these people I don't know in my house and they scratching my floors  
Takin' furniture outside and the U-Haul pull up to my door  
What's the reason that I get this feelin' that you can't keep it real with me  
Is it cause of the prime relationships I had off in the streets?  
Never mind that this is your conscience speaking and you need to get your girl back  
You gotta find a way to try to get to her heart  
I'm takin' suggestions I've learned my lesson  
Think conscience you're my last lifeline  
I'm down to my last second

[Chorus]  
I only got 4 minutes to do what I gotta do to prove to you that I'm gonna do anything  
I only got 4 minutes say what I gotta say to make you stay and show you that I done change (I'm a  
Cause in 4 minutes I'll never have my girl again  
In 4 minutes Imma lose her to some other man (I'll be all alone)  
4 no less no more  
I'm desperate 'cause the clock's ticking  
Only got 4 minutes to go

[Bridge]  
(I've done) I've done things in my past  
I thought this love would last  
But I can't let you go baby  
You're my everything lady  
The reason I smile and the reason I talk baby  
The reason I breathe, the only one for me, yea  
You can't go through with this  
If you left me my life wouldn't exist  
Cause I'm still in love with you  
And that's my word I don't give a damn what you heard  
Oh, baby I'll be true

I only got 4 minutes [echo]  
And I'm running out of time  
I only got 4 minutes [echo]  
I only got 4 minutes

4 minutes I'll never have my girl again (I'll never have)  
In 4 minutes (oh no) Imma lose her to some other man (Imma lose her)  
4 (oo ho) no less no more (And I just can't take it I don't want it happen I won't let it happen)  
Cause the clocks ticking  
Only got 4 minutes to go (oh no)

Only got 4 minutes to tell you everything I love about you  
4 minutes to say I need you, I can't live without you  
I'm out of time gotta say what's on my mind  
Just to keep you in my life  
Aw, damn I'm outta time
