

Avant, I Know

La da da da...ohh ohhh!

I want you baby.

Tell me...

I wanna know if you want me baby (baby)

Tell me, babe

Tell me (girl)...

Do you feel the need for love

(come closer babe)

Every night I just dream, about you

I try to hold myself together,

but there's so much that I

I wanna do

Being with you everyday

is so beautiful,

that's why I want you to let me know..

CHORUS

Do you want me

I wanna know if you want me baby (baby)

tell me babe...

do you need me

Do you feel the need for love

(I want to know)

I wanna know if you want me baby

(Do you need me)

Do you feel the need for love

I like when you just sit there and you call my name

(call my name babe)

that let me that I am on top of, (top of) my game (my game)

fantasizing on my job, yeah everyday (everyday)

can't wait to go home so I can love you (love you)

In different ways...Oooh Yeah!

CHORUS

BREAKDOWN

Is it me that you want babe

because you're all that I need

I get excited when I think about you baby

So don't leave me

Don't leave me! No, no!

baby, please

don't leave me.

I want you lady

I want you

I want you, yeah

I want you baby, oh, oh ohhhhhh....

CHORUS
