

Avant, Mrdream

You and I, such a pair if, you would stop, stop runnin' from what's real
You call them dreams but they can't hear you, searchin' for love
When it's standin' right here

Why would you choose to reach out your hand, all those empty promises
You, should understand that you deserve better than, than that

Chorus

I'm the only one that really loves you babe
Why you wanna take it all away
Cause you steady chasin' after Mr. Dream
I'm the only one that really loves you babe
Can't you feel me runnin' through ya veins
Cause you steady chasin' after Mr. Dream

Come over here girl
He can't love you girl
Come over here girl
If he don't wanna love you girl

Verse 2

Look at you, pullin yo hair out, losin' sleep, 'cause he never comes through
When I been here but you don't acknowledge, I read your mind, I know you better than you do, oh

Why would you choose to reach out your hand, all those empty promises
You, should understand that you deserve better than, than that

I'm the only one that really loves you babe
Why you wanna take it all away
Cause you steady chasin' after Mr. Dream
I'm the only one that really loves you babe
Can't you feel me runnin' through ya veins
Cause you steady chasin' after Mr. Dream

I wish that we could fly away, take you from your misery
Girl I read your story and it says, wanna dance in the sun
But you're chasin' after the wrong one

Chorus 2x

I'm the only one that really loves you babe
Why you wanna take it all away
Cause you steady chasin' after Mr. Dream
I'm the only one that really loves you babe
Can't you feel me runnin' through ya veins
Cause you steady chasin' after Mr. Dream

Come over here girl
He can't love you girl
Come over here girl
If he don't wanna love you girl (2x)
