

# Avant, Nothing In This World

I can picture us in the living room  
by the mantle piece  
and you tellin me you love me-----  
with your hands on my thighs  
while I'm starin in your brown eyes  
and the expression on your face  
is tellin me you want my better taste  
so tonight we're going all the way  
we'll be lovin til the break of day

(Chorus)

There's nothin in this world I wouldn't do for you boy  
I don't care what the others say now that I got you babe  
No one can bring you joy like you girl  
All the little things you do  
It's all about you boo

I can picture us runnin in the rain  
after a movie then spark of flame  
oh, I love it when you scream my name  
goin 60 in tha 30 lane  
we pull over to the parkin lot  
in the park that's my favorite spot  
doing just about anything  
we'll be goin till the birds sing

(chorus)

I think it's bout time that I make you mine  
oh, what your sayin to me boy c'mon break it down  
to find another like you will be a lifetime  
I think I see where you going baby  
let it out, let it out  
listen to me baby I got somethin to say  
is it really what I think don't take all day  
forever is what I want to give to you  
so what do you say  
baby I do-----

(chorus)2x
