

# Avant, Seems To Be

I was sixteen with a mind of my own  
You were Seventeen  
and you thought you was grown  
I found a thrill when we went up a hill  
And you used to feel me,  
my body would get chills

I picked you up in my 89 Chevy  
I brought you candy and popcorn  
at the movies  
I had it made when I, got paid  
And we, go roller skate,  
but every thing has changed, Wait

Seems to be to me,  
something wrong with this household  
Seems to be to me,  
you're always trying to take control  
Seems to be to me,  
something wrong with the kissing  
Seems to be to me,  
something is missing

Seems to be to me,  
something wrong with the making love  
Seems to be to me,  
you forgot what love was  
Seemsto be to me  
something wrong kissing  
Seems to be to me,  
something is missing

[Avant]  
We had fun that year that you turned 21  
You were my world  
cause you brought me my baby girl  
She so fine and she's all mine  
And I promised to love you  
until the end of time

[Olivia]  
That's ok cause I felt the same way  
But you're running game  
and that's when everything changed  
The phone calls and your two ways  
and your attitude  
You watch too many pimp tapes

After all of the things  
that we been through  
I'm still willing to take care of you  
Girl we been together for so long  
And I just want to know, What's going on?

Seems to be to me,  
something wrong with this household  
Seems to be to me,  
you're always trying to take control  
Seems to be to me,  
something wrong with the kissing  
Seems to be to me,  
you forgot what love was  
Seems to be to me,  
something wrong with the kissing

Seems to be to me,  
something is missing

What happen to kissing and hugging?  
Instead of all that cussing and fussing,  
I wanna know right now,  
what you got to say,

What happen to respecting me?  
Instead of spending time in the street  
I don't need to know; in fact I got to go

Wait baby let me plead my case  
I got a few more things to say  
Shit is making me mad,  
girl what I do so bad?

What about that girl  
you sending money to down the way?  
What about, you been cheating on me  
she had your baby?  
What about, the lies and deceit  
I face day to day?  
What about, I don't feel the way I used to  
I lost my faith in you?

Seems to be to me,  
something wrong with this household  
Seems to be to me,  
you're always trying to take control  
Seems to be to me,  
something wrong with kissing  
Seems to be to me,  
something missing

Seems to be to me,  
something wrong with the making love  
Seems to be to me,  
you forgot what love was  
Seems to be to me,  
something wrong with the kissing  
Seems to be to me,  
something is missing
