

Avant, Suicide

Oh Lady, Since you walked out of my life
It feels like the world is just caving in on me
Damn, I can't live in these four walls all alone
And you know how much I love you
And how much I wanna hold you
How could you do this to me

Girl since you closed the door in my face
It's been like a dark hall that has no end
I'm looking at this bottle
Gonna drink it till it's gone
You might as well say this is the end
Don't know what I'm gonna do

I don't know what I'm gonna do without you baby
I don't know how I'm gonna live without you lady
My life just ain't nothin' without you by my side
It feels like suicide

Feels like I'm on a plane ride
Facing its final hour
I'm goin' blind and I can't see
In front of the judge facing the death penalty
Lock and throw away the key
Can't you see
I can't think, I can't sleep, I can't eat, feel so weak
I need you to rescue me
Take me from this misery

I don't know what I'm gonna do without you baby
I don't know how I'm gonna live without you lady
My life just ain't nothin' without you by my side
It feels like suicide

It won't be long before I go down
I need you girl to come around
I don't know how long it will be
Wont somebody come see about me
I'm on my knees praying to you
Gonna do something that I should not do
I just can't take this pain

I don't know what I'm gonna do without you baby
I don't know how I'm gonna live without you lady
My life just ain't nothin' without you by my side
It feels like suicide

I don't know what I'm gonna do without you baby
I don't know how I'm gonna live without you lady
My life just ain't nothin' without you by my side
It feels like suicide

Boom, boom, boom [5x]
