

Avant, When It Hurts

{Verse 1}

Can You Take Me Telling U The Truth
When I Know The Situation
Look Shady Azz Fuck
Will U Believe When I Say
I Knew You Be Trippin So I
Slept Out In My Ride In The
Driveway

{Bridge}

So Before We Get Into
The Things That We Shouldn't
Do Ima Need Ur Undivided Attention
'Cause It's Fantasies and Reality
Baby Which One Are We Living In Oh

{Chorus}

When It Hurts Will We Still Be
The Same Two Lovers All Over Each Other
When It Hurts Will We Still See
Why We Got Together Promise That
We Never Never Be Temporary(Not Another)
Ordinary (Uh Uh) We Should Change
Peoples Definition Of Love So
Forget What U Heard The Only Way
That This Will Work Is If U
Love Me When It Hurts
(If U Love Me When It Hurts)

{Verse 2}

I Don't Want To Blend In With
Every Other Relationship That
Be Falling In And Out Girl Not
Us I Knew That I Trip 'Cause
Every Time We Argue I Think
About Having Someone On
The Side Girl

{Bridge}

The Things That We Shouldn't
Do Ima Need Ur Undivided Attention
'Cause It's Fantasies and Reality
Baby Which One Are We Living In Oh
