

# Avant, Why (What's Goin On?)

im sitting here reading the book of life  
constantly asking myself why..  
why do babies have to die..  
n a mother gives up a price

can you see the man on the streets..  
doesnt even have enough to eat..  
n tell me when your walking by..  
can you see the tears in his eyes  
somebody please tell me why..

why..  
why does this world seem so cold (seem so cold..)  
just like a rich man  
that wont give a pot a gold  
oh no..  
why..  
before my life comes to an end  
lets try to make amends and lets give it a chance  
oh tell me why (why..)  
tell me why..  
tell me why..  
tell me why..

baby dont know her fathers name  
n mothers confused..just the same  
shes saying that its alright..  
but she needs a father in her life..  
somebody please tell me why..

n just like the sand on the beach..  
n just like the ocean runs so deep (oh so deep)..  
we all must take our part  
n dig deep in our hearts  
but i dont know where to start..

someone tell me why..  
why..  
why does this world seem so cold (seem so cold..)  
just like a rich man  
that who wont give a pot of gold  
oh no..  
why..  
why before my life comes to an end  
lets try to make amends and let's give it a chance  
oh tell me why  
tell me why (tell me why..)  
tell me why (ohh..)  
tell me why (tell me why..)  
tell me why..
