

# Avenged Sevenfold, A Little Piece Of Heaven

Before the story begins  
Is it such a sin  
For me to take what's mine  
Until the end of time  
We were more than friends  
Before the story ends,  
And I will take what's mine  
Create what god would never design

Our love had been so strong for far too long,  
I was weak with fear that something would go wrong  
Before the possibilities came true  
I took all possibility from you

Almost laughed myself to tears  
Conjuring her deepest fears  
&lt;i&gt;&quot;C'mere, you fucking bitch!&quot;&lt;/i&gt;

Must have stabbed her fifty fucking times  
I can't believe it  
Ripped her heart out right before her eyes  
Eyes over easy  
Eat it, eat it, eat it!

She was never this good in bed even when she was sleepin'  
Now she's just so perfect; I've never been quite so fucking deep in

It goes on and on and on,  
I can keep you lookin' young and preserved forever  
With a fountain to spray on your youth whenever

'Cause I really always knew  
that my little crime would be cold  
That's why I got a heater for your thighs  
And I know, I know it's not your time  
But bye-bye  
And a word to the wise when the fire dies  
You think it's over but it's just begun  
Baby don't cry

You had my heart, at least for the most part  
'Cause everybody's gotta die sometime  
We fell apart, let's make a new start  
'Cause everybody's gotta die sometime  
Yeah, but baby don't cry

Now possibilities I'd never considered  
Are occurring the likes of which I'd never heard  
Now an angry soul comes back from beyond the grave  
To repossess a body with which I'd misbehaved

Smiling right from ear to ear  
Almost laughed herself to tears

Must have stabbed him fifty fucking times  
I can't believe it  
Ripped his heart out right before his eyes  
Eyes over easy  
Eat it, eat it, eat it!  
&lt;i&gt;&quot;Eat the shit out of him!&quot;&lt;/i&gt;

Now that it's done I realize the error of my ways  
I must venture back to apologize from somewhere far beyond the grave

I gotta make up for what I've done  
'Cause I was all up in a piece of heaven  
While you burned in hell, no peace forever

'Cause I really always knew  
that my little crime would be cold  
That's why I got a heater for your thighs  
And I know, I know it's not your time  
But bye-bye  
And a word to the wise when the fire dies  
You think it's over but it's just begun  
Baby don't cry

You had my heart, at least for the most part  
'Cause everybody's gotta die sometime  
We fell apart, let's make a new start  
'Cause everybody's gotta die sometime  
Yeah, but baby don't cry

I will suffer for so long  
(What will you do, not long enough)  
To make it up to you  
(I pray to God that you do)  
I'll do whatever you want me to do  
(Well then I'll grant you a chance)  
And if it's not enough  
(If it's not enough, if it's not enough)  
If it's not enough  
(Not enough)  
Try again  
(Try again)  
And again  
(And again)  
Over and over again

We're coming back, coming back  
We'll live forever, live forever  
Let's have wedding, have a wedding  
Let's start the killing, start the killing

&lt;i&gt;&quot;Do you take this man in death for the rest of your unnatural life?&quot;  
&quot;Yes, I do&quot;  
&quot;Do you take this woman in death for the rest of your unnatural life?&quot;  
&quot;I do&quot;  
&quot;I now pronounce you...&quot;&lt;/i&gt;

'Cause I really always knew  
that my little crime would be cold  
That's why I got a heater for your thighs  
And I know, I know it's not your time  
But bye-bye  
And a word to the wise when the fire dies  
You think it's over but it's just begun  
Baby don't cry

You had my heart, at least for the most part  
'Cause everybody's gotta die sometime  
We fell apart, let's make a new start  
'Cause everybody's gotta die sometime  
Yeah, but baby don't cry.
