

# Avenged Sevenfold, Burn It Down

Jealousy's an ugly word, but you don't seem to care  
Converse behind my back, but now I'm here  
Need no one to comply with me though everyone that I defeat  
Don't need you, fuck camaraderie, this rage will never go away

Hatred fuels my blood  
I'll burn ya down (You can't help me)  
One king to watch the horsemen fail  
I'll fight 'til the end (I won't help you)  
I can't trust anyone (See it in my eyes)  
Now I can understand  
It's sorrow that feeds your lies  
Whoa, yeah!

You're on my back when the water gets too deep for you to breathe  
A crutch for you that won't always be there  
Hide in the dark another day  
The fear in you is here to stay  
So keep the fuck away from me and learn to trust the words I say

Hatred fuels my blood  
I'll burn ya down (You can't help me)  
One king to watch the horsemen fail  
I'll fight 'til the end (I won't help you)  
I can't trust anyone (Witness and see it in my eyes)  
(Chorus vocalizing)  
Now I can understand  
Put faith in you for the last time  
It's sorrow that feeds your lies  
Ha! Yeah, yeah!

Run from me before I tear you down (Be afraid)  
You chose the wrong side (It feels so right)  
I won't help you, let you rot away (Despise what you say - Chorus vocalizing)  
Run towards the light exposing your soul (We won't be there by your side - Chorus vocalizing)  
Salvation's dying (Somebody's crying)  
We're all gone in the end (Chorus vocalizing)  
Sweet child we'll miss you  
No, so far away, far away

I can't trust anyone (Witness and see it in my eyes - Chorus vocalizing)  
Now I can understand  
Put faith in you for the last time  
It's sorrow that feeds your lies

Falling away  
Can't buy back time  
Burn it down anyways
